Helpful Hints

The virtual classroom will open at 1:55 p.m. CST and class will start promptly at 2:00 p.m. Please try to join 5 minutes early to troubleshoot any connectivity issues. For the best viewing experience, I suggest using a computer or tablet (since they have larger screens). A smart phone, however, will also work fine. You may want to download the free Zoom app in advance. On a side note, please do not use two devices at once as it tends to generate audio feedback over the line.

First time using Zoom?

If it's your very first time using Zoom, please see below instructions on different ways you can join: <https://support.zoom.us/hc/en-us/articles/201362193-Joining-a-meeting>

Reminder

You can download the Gratitude Wreath stamp set through a link in your order confirmation e-mail. See my LLG Designs digital stamp [angel policy](#) on my website at lauraleegriffin.com/terms-conditions.
